

Request and Declaration for Change of Training Programme

A. Personal Data	
Surname:	First name (s):
Neptun code:	
Major: <input type="checkbox"/> Pharmacy/ <input type="checkbox"/> BIOT BSC	Admitted in (year):

B. Aim of the request	
I am requesting the Educational Committee to allow me to change my training programme based on Section 1 (5) of Appendix 15 of the CSE.	
Current curriculum (year):	
Requested curriculum (year):	

C. Reasoning	

D. Declaration	
<p>„The student may request once during his/her studies to change his/her recommended curriculum provided, that he/she meets every prerequisite of the other curriculum and accepted its conditions in written form. The student may request to change his/her recommended curriculum on one further occasion if he/she can certify an extraordinary circumstance which can be evaluated based on individual equity. Where there is a need for assigning students to years for education-organisational purposes, the student shall be assigned to the highest semester of the recommended curriculum of which all the obligatory courses he/she is entitled to register. In case of a student who requests to change his/her recommended curriculum the Educational Committee reflects and determines which curriculum the student shall be assigned by taking into consideration the completed and recognized credits as well.” (Section 1 (5) of Appendix 15 of the CSE.)</p>	
<p>I declare, that I read the relevant section of CSE, I have taken note of the change of my training programme, with this in mind, I am aware of the consequences. In accordance with that, I received complete information from the member of staff of Registrar's Office, and I accept them certified by my signature.</p>
